Position: _____

Brief description of experience:

Mentee Responsibilities

- Be Proactive – in seeking out a mentor.
- Approach each mentoring conversation prepared with topics to discuss.
- Consider all conversations with your mentor as confidential.
- Mentoring is not a one shot type of activity. It's a relationship and a series of conversations.
- Be a good listener.
- Be committed to the time required

Areas that you would like to have a mentor work with you on, for example, special technology, management, training, clinical programs, IT, etc. Explain what outcomes you want for each area.

Area 1:

Area 2:

Area 3:

Please feel free to attach more pages as needed.

How much time are you going to commit per week?

Attach:

- CV/Resume to include degrees earned and date,
- List of professional society memberships,
- Any technical schools and/or management training seminars attended
