1. **HIMSS Meeting in downtown Atlanta at the Georgia World Congress Center (GWCC), March 1-4, 2010**
www.himssconference.org
2. **Clinical Engineering & IT Symposium (Full Day), GWCC**
Sunday, February 28, 2010, 9 am – 4:45 pm, www.himssconference.org/general/interests.aspx?groupingid=CLE

The environment of change is upon clinical engineers. Those taking proactive steps to understand the new rules and incentives, and to prepare for their impact, will be best positioned for the future. Clinical engineering and IT must design a seamless service and technology support system. This symposium will examine the changes that drive the system; the necessary elements of structure, resources, and management; and take a deep dive into the high impact area of telehealth.
3. **The HIMSS Opening Reception, Sunday, February 28, 5-8 pm, GWCC - Free-registered conference attendees**
4. **The ACCE Annual Meeting & Awards Reception, GWCC – Monday evening, March 1, 6-9 pm, www.accenet.org**
